WHAT'S NEW...

To Our Valued Customers,

Covid-19 has been a big struggle this year for everyone in the hockey industry, but we are happy to see things picking up. We're open and ready to serve you with many new products...

NASH is now carrying TRUE REPLACEMENT STEEL (pages 5-7). As always, you can continue ordering STEP STEEL from us. Please email or call, we have plenty of stock in all styles and sizes. On page 8 and 44, we've revamped our custom, in-shop made STEEL BLADE BAG. Along with our STEEL BLADE POUCH, we now have a DOUBLE STEEL BLADE POUCH. Your customers can now carry two sets of steel while maintaining the same compact size as the single blade pouch. We've also added custom LASER ENGRAVING for STEEL with a quick turnaround! Name, number, nickname, team name – whatever you want – we can do it – and for a very reasonable price!

Don't forget to check out our new NASH PRO HARNESS. This open-back harness was designed using our classic cotton elastic material. Colours offered are black, cream, royal and red. And this year, royal and red have been added to our classic NASH 5-POINT HARNESS (page 39).

For Black Steel Sharpeners – Our BLACK STEEL HONING STONE (page 14) now comes in a KIT WITH A CHAMOIS to sell directly to your customers. Your customers can hone their steel and keep it maintained between sharpenings. Only want to sell the BLACK STEEL HONING STONE? We now have a counter display that holds 24 – an easy add-on impulse item to keep near your checkout counter!

For Coaches – Take a look at our PLAYMAKER LCD COACHING BOARD – a board you can draw on and erase with the quick touch of a button. No more erasers and messy wipes! (page 45)

US Customers – NASH remains teamed with A&R, and they continue to distribute our products so you can get your orders quickly and efficiently!

As always, we're working hard to serve you in the best ways possible while keeping our products innovative and unique. Thank you for your continued support over the years. As Ralph always said, "Keep your stick on the ice!"

NEW! NASH PRO HARNESS

Do you have a graphic on the backplate of your goal mask but find it difficult to see due to the harness down the middle? NASH has the solution! This revolutionary PRO harness system fits all goal masks due to its incredible simplicity. The straps attach the same as most harnesses, except that you attach each of the 5 securing straps individually to each mount on the mask/backplate. This leaves the majority of the backplate uncovered, allowing you to show off the graphic!

These PRO harnesses are made from a soft cotton elastic using durable weave material, giving them a thick, soft stock feel. Fits all goal masks. Black, Natural Cream, Royal or Red.
