## Custom Neuter Bow Keys

Be visible to your customers...  
several times a day!  
Repeat business is almost guaranteed.

- The unique bow shape makes keyway recognition more difficult for "non-professionals", helping to assure repeat business for you.
- No manufacturer brand or keyway identification.
- 500+ commercial and residential keyways available.
- Low minimum order quantity.
- Promotes your business.

**Follow these four simple steps to order:**

1. Refer to "ILCO Key Number" and "Material/Finish" to determine the product order number.  
Example: Ilco keyway number 1179 + brass material/finish = CCNB-1179-BR
2. Specify what is to be stamped on both the thumb (T) and finger (F) sides of the key.  
**Repeat customers** may indicate the die numbers (if known) and a brief description of those dies, business name, telephone number, any other identifying information, or may submit copies of both sides of the key. The packing list provided with each shipment indicates the thumb (T) and finger (F) side dies that were used to produce the keys that were ordered, as well as an abbreviated description. If you require assistance, please contact Ilco Customer Service.  
**New customers**, or customers requiring a change in their dies, please contact your sales rep.
3. Indicate how many you are ordering. (Minimum order is 250/item).
4. Submit your completed order to Southern Lock.

## Custom Incised Keys For Security Professionals

The affordable way to advertise your business for a long, long time.

- **No "Brand"** - These standard bow keys have your business information on the thumb side of the key. The finger side is totally plain, offering the maximum surface area for your special marking needs.
- **No Keyway Identification** - Makes it more difficult for "non-professionals" to identify the keyway.
- **Available Brass and Nickel Plate finish** - The most popular keyways - KW1, KW10, KW11, SC1, SC4, WK2, WR3, WR5 - are available in both brass (BR) and nickel plated (NP) brass finish.

**General Information:**

- Thumb side of key is coined with personalized copy (13 characters, including letters, standard symbols or numbers. Up to 3 lines).
- Minimum 1,000 keys mix or match, 100/key, in multiples of 100.
- Finished keys are packaged 50/box.
- One time die charge is only \$100.  
NOTE: Die charge is waived with initial order of 2,000 or more keys,

- First Time Order  
 Repeat Order

**Use this to specify personalized copy**  
(Please print clearly)
