Accessorise your Yaris Scan and follow the link for an interactive introduction to personalising your car with genuine Toyota accessories.

Accessory packs

For added protection, style, multi-media or that powerful look of sporty performance, Toyota accessory packs offer a great value way of expressing individuality. Each pack is themed to make your choice effortlessly rewarding.

Bumper protection plate
Made of stainless steel to protect the rear bumper paintwork.

HYBRID PACK

Created especially for the Yaris hybrid. Each accessory in the pack has been conceived to combine great looks with day-to-day practicality.

Smart entry key cover
A proud reminder of what it feels like to fall in love with driving again.

Scuff plates
The stylish way to protect door sills against scuffs and scrapes.

STYLING PACK, HYBRID

Whichever colour you choose for your Yaris hybrid, the styling pack's carefully designed chrome garnishes will enhance the appeal even further.

Rear lower trunk garnish
Adds a stylish chrome highlight to the lower trunk edge.

Exhaust pipe finisher
With a durable chrome finish for long lasting good looks.

Side door garnish
A dash of chrome to emphasise your car's side contours.

Accessory pack products are available individually. See more in this brochure or ask your Toyota retailer for details.

PROTECTION PACK

The theme is protection inside and out. Accessories in the pack offer custom made practicality to help keep your car looking as good as new.

Trunk liner
Tough black plastic with a raised lip to protect the trunk carpet.

Rear bumper protection plate – black
Tough paintwork protection when loading and unloading the trunk.

Side mouldings
Protection for the side panels. In black or painted to match your car.

SPORTS PACK

The Yaris turns heads in admiration wherever it goes. Add the sports pack and you create an extra look of power and performance.

Alloy wheels
15" anthracite machined face alloys with a 9 spoke design.

Roof spoiler
A sports design to complement your car's aerodynamic profile.

Accessory pack products are available individually. See more in this brochure or ask your Toyota retailer for details.

MULTI-MEDIA PACK

Designed to reinforce the connection between you, your car and your way of life. Each accessory is very user friendly.

Toyota Touch® 2 with Go navigation
Adds pan-European navigation to your Toyota Touch® 2 audio and information system.

Toyota Hotspot
Mobile connectivity for up to 5 WiFi capable devices including phones, tablets and laptops.

SATIN CHROME PACK, HYBRID

With its purposeful styling details, the satin chrome pack emphasises the sculpted shape of your Yaris hybrid and builds the appeal of urban sophistication.

Diffuser garnish
Adds a stylish satin chrome highlight to the distinctive wrap-around rear bumper.

Side door garnish
In piano black with a satin chrome insert to complement your car's side contours.

Accessory pack products are available individually. See more in this brochure or ask your Toyota retailer for details.

Styling

Toyota style accessories add extra design elements to the unique personality of your Yaris. Whether applied individually or all together, for the inside or out, each accessory complements your car's already great looks.

15" silver machined face (5 double-spoke)

15" black machined face (5 double-spoke)

Centre caps

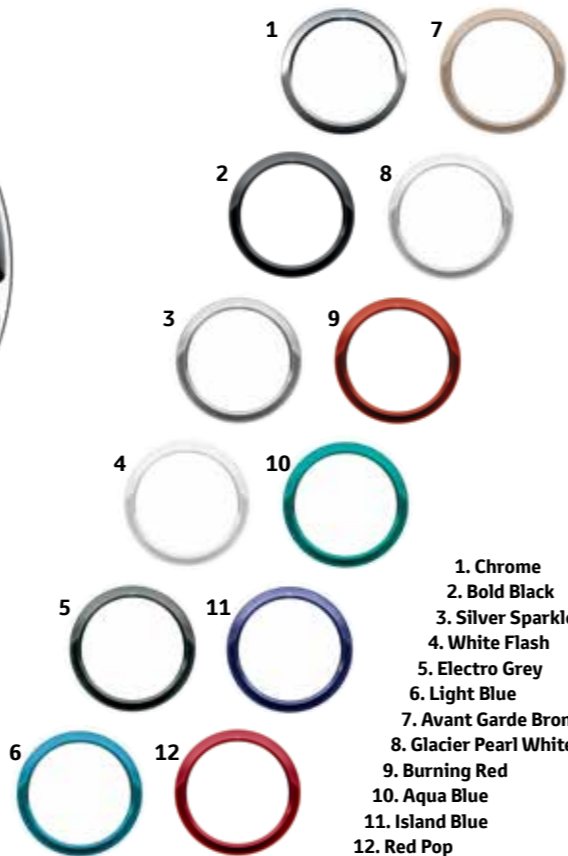

Make a statement of style with coloured centre caps for your 15" black with machined face and 15" silver with machined face, 5 double-spoke, alloy wheels:

1. Glossy black with chrome emblem
2. Matt black with chrome emblem
3. Silver with chrome emblem
4. Black matt with glossy black emblem

Centre cap rings

Choose from a range of distinctive coloured rings to fit around the centre caps of your alloys. Exclusively for the 15" black with machined face and 15" silver with machined face, 5 double-spoke, alloy wheels:

1. Chrome
2. Bold Black
3. Silver Sparkle
4. White Flash
5. Electro Grey
6. Light Blue
7. Avant Garde Bronze
8. Glacier Pearl White
9. Burning Red
10. Aqua Blue
11. Island Blue
12. Red Pop

1. 15" gloss black alloy wheels (5 double-spoke)
2. 15" light grey alloy wheels (5 double-spoke)
3. 15" & 16" anthracite with machined face alloy wheels (9 spoke)
4. 15" & 16" anthracite alloy wheels (9 spoke)
5. 15" silver alloy wheels (7 double-spoke)

Winter wheels

Especially for use with winter tyres. When the weather turns you can simply swap between the winter wheels and your normal alloys to avoid expensive tyre changes.

Wheel locks

Made of hardened steel and with a rounded profile and unique coded key to maximise alloy wheel anti-theft security. The design complements your existing wheel nuts.

Side door garnish

Custom designed to highlight the sculpted side contours of your Yaris. Available in a range of styles and finishes. Shown here in piano black with a chrome insert.

Side door garnish

Matt black with a chrome insert.

Side door garnish

Piano black with a satin chrome insert. Recommended for Yaris hybrid models.

Side door garnish

With a distinctive chrome finish.

Roof spoiler

Shaped to integrate with the streamlined aerodynamics of your Yaris and give a powerful sporty appearance.

Diffuser garnish

A stylish chrome highlight along the bumper to emphasise the distinctive rear design of your Yaris.

Rear lower trunk garnish

With a chrome finish to add an extra style feature along the lower edge of your car's hatchback door.

Exhaust pipe finisher

The durable chrome design makes a feature of your car's exhaust pipe and creates a look that is both elegant and sporty.

Leather interiors

Luxurious Toyota leather upholstery is as good to look at as it is to sit in. Combining style, comfort and practicality, the upholstery is made of top quality leather with a choice of coloured detailing.

Leather interior – grey*
Seats and headrests in black leather with grey leather inserts and grey stitching and an optional black leather armrest. An exclusive design for Yaris hybrid models.

Leather interior – red*
Seats and headrests in black leather with red leather inserts and red stitching and an optional black leather armrest. For Yaris 5 door non-hybrid models. The red detailing is an ideal colour match for the Yaris Style grade.

Leather interior – tan*
Seats and headrests in black leather with tan leather inserts and tan stitching and an optional black leather armrest. For Yaris 5 door non-hybrid models. The tan detailing colour co-ordinates with the Yaris Lounge grade.

Leather interior – black
Seats and headrests in black leather with your choice of coloured stitching and an optional black leather armrest. Choose red or tan stitching for Yaris 5 door non-hybrid models and grey stitching for Yaris hybrids.

*Contact your local Toyota retailer for details of availability.

Scuff plates – hybrid
In a smart aluminium finish with the blue hybrid logo.

Scuff plates
Toyota scuff plates offer both style and practicality. They come in a choice of finishes to complement the high quality interior of your Yaris, and their shape integrates neatly along the door sills to protect against paintwork scratches.

Scuff plates – aluminium
Great paintwork protection in a stylish aluminium finish

Scuff plates – black
Tough protection in a smart black composite material.

Hybrid smart entry key cover
A proud reminder of what it feels like to fall in love with driving again.

Protection

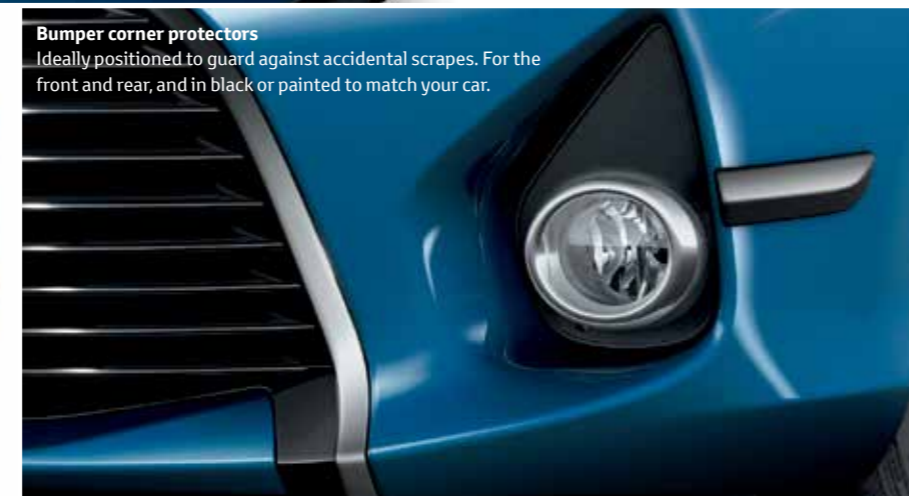

Driving the Yaris adds to the fun of modern living. Toyota accessories enhance day-to-day practicality by providing an extra layer of protection inside and out to help keep your car looking in top condition.

Rear bumper protection plate – stainless steel
Great looking stainless steel in a design perfectly shaped to guard the rear bumper when sliding things in and out of the trunk.

Rear bumper protection plate – tough plastic
Made of rugged plastic to fit the contours of the rear bumper and protect against scratching when loading and unloading the trunk.

Bumper corner protectors
Ideally positioned to guard against accidental scrapes. For the front and rear, and in black or painted to match your car.

Wind deflectors
Aerodynamically shaped to reduce in-car wind noise and buffering when driving with open windows.

Side moulding
Side panel styling combined with protection against minor damage. In black or painted to match your car.

Rear bumper protection film
Unobtrusive but tough anti-scratch protection for the rear bumper paintwork. Made of transparent self-adhesive film for a custom fit.

Door handle protection film
Virtually invisible, yet providing tough protection against scratching by gloves, rings and keys around the door handle.

Mud flaps
Especially shaped to fit the wheel arches and minimise water, mud and stones spraying onto your car's body.

Textile floor mats
 Anthracite and black car floor mats in a range of textile qualities and with a choice of coloured borders including red to complement the Yaris Style, tan to complement the Yaris Lounge and grey for Yaris hybrids. The driver's mat has special non-slip safety fixings.

Rubber floor mats
 Made extra strong to protect your car's carpets against mud, dirt and sand. The driver's mat has safety fixings to hold it firmly in place.

Trunk liner
 Made of tough flexible plastic with a non-slip surface and raised edges to protect the trunk carpet against dirt, sand and liquids. Options available for high and low trunk floor Yaris models.

Technology

Toyota technology accessories create that essential link between you, your car and the life you lead. Each accessory has been conceived from the beginning with the user in mind. Every feature, function and display is designed for easy in-car operation.

TAS200 audio

The smart choice multi-dimensional audio unit if your Yaris isn't fitted with audio as standard and you don't require a navigation system. Ease of use is assured by a multi-jog selector and an OLED display providing strong contrast, high brightness and quick response.

- AM/FM radio.
- MP3/WMA/AAC compatible CD player.
- AUX, USB and iPod sockets.
- DAB ready.
- Three DSP modes for sound equalisation.

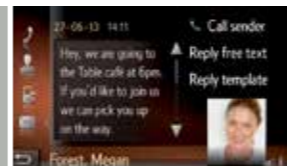

Toyota Touch® 2

The Toyota Touch® 2 system establishes a multi-media hub at the heart of your car. It provides an exciting range of entertainment and information capabilities that can be accessed and managed through a touch sensitive high-resolution screen.

Multi-media features

AM/FM radio.
DAB (optional).
CD player.
MP3 and iPod connectivity.
MP3/WMA compatibility.
Aux-in/VTR connections.

Bluetooth®

Enjoy safe and easy mobile phone connectivity with hands-free calling via Bluetooth® technology. Toyota Touch® 2 enables automatic downloading of your phone book and allows you to send and receive SMS messages.

MP3 and iPod

The Toyota Touch® 2 audio system enables you to integrate your devices remotely via Bluetooth® or a USB connection. Album cover, artist and track information display on the Toyota Touch® 2 screen.

Car information

Conveniently, Toyota Touch® 2 displays important car information via its touch sensitive screen. You can access and monitor trip data, display the climate control profile and manage settings such as door locks and lighting.

Rear view camera

Toyota Touch® 2 integrates the Toyota rear view parking camera. When the camera is switched on, images of the immediate area at the rear of your car will show in real-time on the screen to help make parking easier and safer.

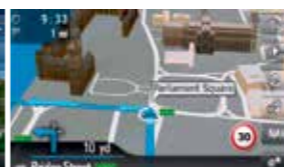

Toyota Touch® 2 with Go

The ideal upgrade if your car already has the Toyota Touch® 2 system and you want to add navigation. It integrates seamlessly with Toyota Touch® 2's existing functionality to also provide full map pan-European coverage and a host of exciting travel extras including real-time traffic updates.

Full map navigation

Driver-friendly full map pan-European navigation with clear visual displays for signposts, junctions and lane guidance. Instructions are available in your choice of 20 languages.

3D city maps

In major cities, maps are enhanced by 3D images of notable buildings and landmarks along your route to make navigation easier and clearer than ever before.

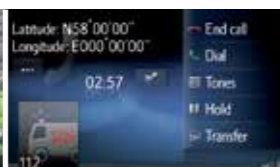

Intuitive detour suggestions

Real-time traffic information* updates alert you to congestion ahead on your planned route. The system calculates potential delay times and suggests a detour to avoid the problem.

Speed limit and safety camera alerts

Drive safely with the help of a speed limit display and warning, including an optional speed warning setting. Alerts notify you of fixed safety camera locations (in countries where it is legal).

Toyota Eurocare and SOS emergency calling

Just one touch of a key provides direct access to the emergency services and roadside assistance. When connected, you can give your precise location as displayed on the screen.

*Depending on local service availability.

Toyota Hotspot

Toyota Hotspot effectively turns your car into a mobile WiFi hotspot. It uses a SIM card of your choice and, when you're in a 2G/3G area, connects up to five WiFi capable devices including phones, tablets and laptops, and supports in-car interaction between them. Importantly, Toyota Hotspot wires directly into the car battery system for a constant power supply.

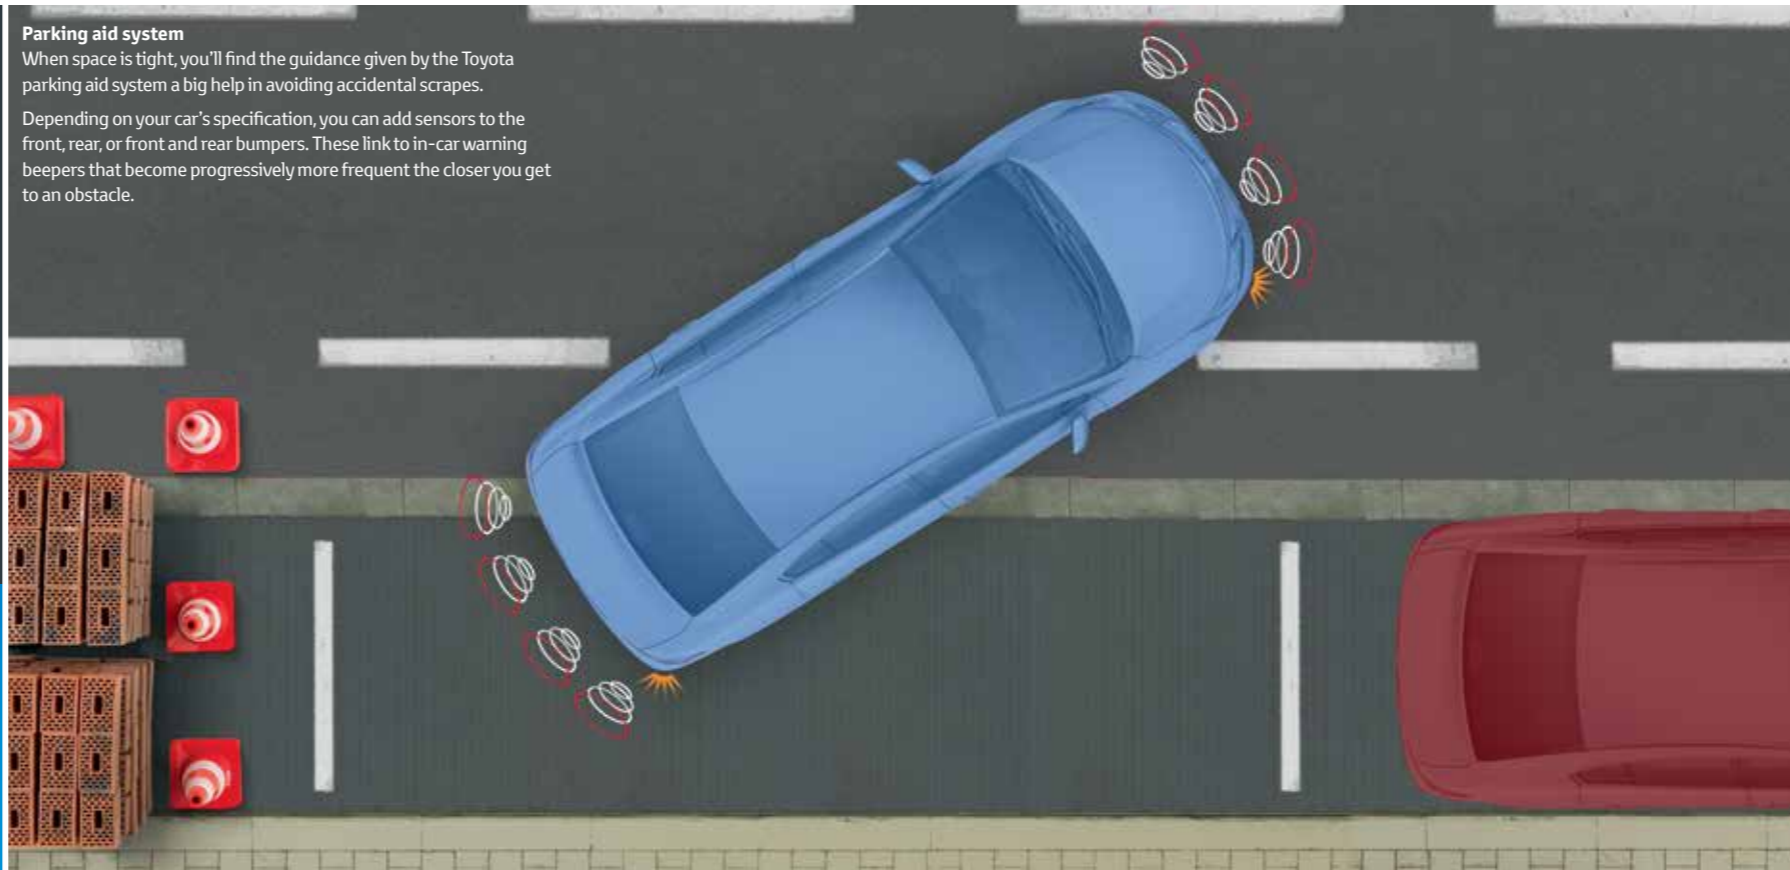

- Purpose designed for in-car use and the special demands of temperature variation and vibration.
- Automotive design high speed dual antenna enhances mobile reception and minimises doppler problems.
- Open to any GSM operator, therefore allowing you to use a SIM card of your choice. It will accept a dedicated data transfer card and, when travelling abroad, you can fit a local card to avoid roaming charges or enable roaming on your card.
- Over-the-air software updating happens almost automatically.
- User friendly web interface allows personalisation of Toyota Hotspot functions such as the connection parameters.
- Easy to use with a simple on/off switch and coloured diodes to inform of status and activity.
- Securely mounted within your car to avoid trailing wires.
- Free from the technical problems associated with using a smart phone as a hotspot and also the restrictions imposed by internet providers. For example, the Toyota Hotspot does not limit you to just one user surfing the net.
- Covered by a Toyota warranty.

Parking aid system

When space is tight, you'll find the guidance given by the Toyota parking aid system a big help in avoiding accidental scrapes.

Depending on your car's specification, you can add sensors to the front, rear, or front and rear bumpers. These link to in-car warning beepers that become progressively more frequent the closer you get to an obstacle.

Rear view parking camera

The discreet rear mounted camera views the area immediately behind your car. It connects with the Toyota Touch® 2 system so that the images can be seen on screen to help make parking easier and safer.

Cancellation switches

A dashboard switch allows the Toyota parking aid system to be turned off when it is not required. For instance, you can turn off the rear system when towing a trailer and turn off both the rear and front systems when driving bumper-to-bumper in slow traffic.

Vehicle security

It's comforting to have a car as safe as the Yaris. Toyota's vehicle security system increases that peace of mind by providing an extra layer of protection when your car is parked.

The system has a powerful alarm to complement your car's pre-fitted immobiliser. An optional incline sensor is also available so that the alarm sounds during attempted wheel theft and towing-away.

Carrying and towing

The power and drivability of the Yaris make it perfect for enjoying life to the full. Toyota carrying and towing accessories add an extra dimension of capacity to create even more flexibility for enjoying those big leisure adventures.

Roof rack

The Toyota roof rack is a lockable aerodynamic aluminium design that is easy to install and remove. It provides a base for a wide range of specialised attachments such as luggage boxes, ski and bicycle holders.

Ski box

Thule Motion 800 – gloss black (also in gloss silver)

For those big snow holidays

Thule ski boxes have been custom designed to exactly the right length, shape and capacity for securely carrying all your winter sports accessories.

Thule Motion 800

Dimensions: 205 cm L x 84 cm W x 45 cm H
 Internal volume: 460 litres*
 Holds: 5-7 pairs of skis, 4-5 snowboards
 Weight: 21 kg

Features

- Open from both sides for easy loading and unloading.
- High security multi-point central locking system.
- Grip friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota cross bars on roof rails.
- Internal straps for securing the box contents.
- Made of colour-fast UV resistant ABS plastic.

Ski & snowboard holders

Large ski and snowboard holder

Simply load and go

The holders install easily and lock securely onto the Toyota roof rack so you can quickly load skis and snowboards whenever the inspiration takes you.

Medium size holder

Large size holder

Features

- Weight: 3.20 kg medium, 4.20 kg large.
- Skis secured between soft rubber for grip and to prevent damage.
- Central locking system for maximum security.
- Push release for easy opening with gloved hands.
- Large holder slides to the car side for easy loading and unloading.

Luggage box

Thule Pacific 200 – silver grey

Just right for holidays

For jackets and dresses, shorts, shoes and playthings; a Thule luggage box is perfect to carry all you need for those big holidays and weekends away.

Thule Pacific 200

Dimensions: 175 cm L x 82 cm W x 45 cm H
 Internal volume: 410 litres*
 Weight: 14 kg

Features

- Opens from both sides for convenient loading and unloading.
- High security multi-point central locking system.
- Grip friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota cross bars on roof rails.
- Internal straps for securing the box contents.
- Made of colour-fast UV resistant ABS plastic.

*Maximum content weight is based on the Yaris maximum roof load capacity.

Bicycle holders

Rear mounted multi-capacity
For secure bicycle transportation and easy loading and unloading. The clamp mounted holder is a universal solution that attaches to all genuine Toyota towing hitches.

Product highlights:	Clamp mounted rear bike holder
Load capacity (bikes)	2

Fits frame dimensions (mm)	20 - 80
Vehicle's holding system	Fits square and extruded aluminium roof rack / cross bar
Powerplug/Rear lights	-
Safety	Locks bike to carrier Locks carrier to car
Fulfils city crash norm	Yes
Miscellaneous	UV resistant plastic. Fits wheel width up to 5.6 cm

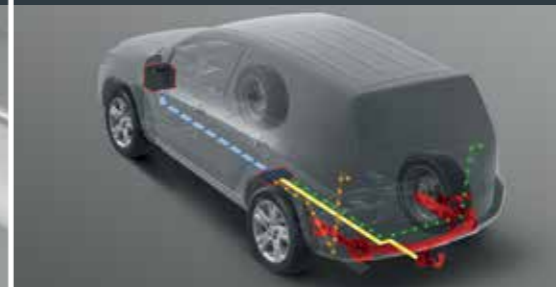

Towing hitches - detachable and fixed

Toyota towing hitches are available with a fixed or detachable hook. Both provide a strong towing capability and will support the Toyota rear mounted bicycle holder.

- Features**
- 750 to 1050 kg towing capacity depending on petrol/diesel engine type. The towing hitch is designed for your car's maximum towing capacity. Towing hitches are not applicable for Yaris hybrid models.
 - Supplied with a protective tow-ball cap bearing the Toyota logo.
 - All Toyota towing hitches can be used to support the 2 bicycle version of the Toyota rear bicycle holder.
 - With the detachable towing hitch, a smart plastic cover is supplied to place over the base when the hook is removed.
 - On the detachable towing hitch, the hook attaches or removes by means of a turning knob that also incorporates a security lock.

Towing hitch wiring harness

Safety for you and your car is at the heart of the Toyota towing hitch wiring harness. Individually designed for each Toyota model, the harness seamlessly integrates your car's lights and signals with those on a towed trailer or rear bicycle holder.

- Features**
- The harness has independent circuitry and a fused module to eliminate the risk of overloading your car's existing electrical system.
 - The fused module prevents a fault in the trailer's circuitry affecting your car's systems. For instance, your car's indicators will continue working even if those on the trailer fail.
 - Toyota specialists designed the cable route to safely avoid contact with moving car parts, heat, irregular surfaces and metal edges.
 - There are no loose or hanging cables that could catch on road obstacles or interfere when loading or unloading the trunk.
 - Strategic reinforced cable protection guards against accidental damage and the consequent risks of lighting failure or fire caused by electrical shorting.
 - Available with a 7 or 13 pin socket.

Socket adapters

If you have an existing trailer or rear bicycle holder, or perhaps you want to hire a trailer when you travel in another country, you may find that the plug socket is different to that on your new car. Such a problem is easily resolved! A Toyota socket adapter enables you to safely and securely connect your car's towing hitch wiring harness to that of a trailer or bicycle holder even if the plugs don't match.

- Toyota adapters are designed to provide a durable connection between different types of plug sockets. They are available in three versions:
- 7 pin (car) to 13 pin (trailer).
 - 13 pin (car) to 7 pin (trailer).
 - 13 pin (car) to 12N-12S double socket (trailer).

Practicalities

People have different ways of living with their car. The Toyota accessory range responds to those differences by offering choices for extra degrees of practicality. Each accessory has been designed for a special purpose.

Fog lamps
Toyota fog lamps enhance illumination of the road ahead and so improve safety when driving in bad weather and poor light conditions.

Vertical cargo net
Simple in concept and yet reassuringly practical. The net clips onto pre-fitted trunk hooks and has individual pockets for keeping small items tidy yet accessible.

Rear sun blind
Opaque from the outside to shield against the sun and prying eyes, but clear from the inside so you and your passengers can see out.

Side sun blinds
Perfect for protecting rear seat passengers against the sun while still allowing them to look out through the side windows.

Air conditioning
An easy to use manually adjustable system for maintaining the cabin temperature just how you like it.

Small bin / ash tray
Slots neatly into the console cup-holder space. The close fitting spring-shut lid helps contain tobacco odours and waste.

Child safety

Caring for young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.
