

Year 11 Final Push Evening

2018 – 2019

Tuesday 30th April 2019

Purpose of the Evening

- Clarify the examination timetable and process
- Share examination timetables and PPE Results
- Final advice for Core Subjects
- Arrangements for Term 6

Examination Timetable

- Check that all subjects are included on the timetable
- Check that any tiers of entry are correct (Maths and Science)
- Check the dates and times of all exams
- Any concerns or errors needed to be reported to Miss Smith by Friday 3rd May

Examination Process

- All morning examinations will start at 9.00am.
- If you have an exam in the morning session, after tutor go directly to the main school hall.
- All afternoon examinations will start at 1.30pm.
- If you have an exam in the afternoon session, after lunch go directly to the main school hall.
- Secrets of Success sessions will take place before all examinations.
- A number of the afternoon examinations will finish after the end of the school day, arrangements will need to be made to get home.
- **NO STUDENT IS PERMITTED TO LEAVE EARLY FROM ANY EXAMINATION**

Examination Process - Absence

- Full attendance is a requirement for all examinations.
- Absent through illness is likely to result in a zero for the examination paper.
- Examination papers will not be rescheduled.
- Are able to apply for special consideration for serious illness however this is not a guarantee a grade will be awarded.
- Better option to attend and complete the examination. Retrospectively special consideration can be applied for and may result in a slight mark increase.

Examination Process – General Information

- Routines and structure are important during the exams
- Important eat, drink and sleep well – avoid late night revision
- Avoid foods and drinks high in sugar or caffeine
- Arrive at school early to avoid stressing and worrying about being late.
- Focus one week at a time, use a tick list to cross off exams as they are completed.

English

Exam Board and exam format:

- AQA Language (2 written exams & 1 Speaking and Listening assessment)
- AQA Literature (2 written exams)

Literature

Paper 1:

- A Christmas Carol **OR** DrJekyll and Mr Hyde
- Romeo and Juliet **OR** Macbeth

Paper 2:

- An Inspector Calls
- Poetry (Power and Conflict)
- Poetry (Unseen)

Language

Paper 1: Fiction

- Reading and writing
- Descriptive language techniques
- Structural devices

Paper 2: Non-fiction

- Reading and writing
- Persuasive language techniques
- Writing opinion

Literature

Do you know the key moments in each text?

- Mind-map each Act, Stave or chapter

Writer's purpose

- E.G. Why did Priestley write this play? What was his message to the audience?

Characters

- Mind-map each key character
- Revise key moments and quotations linked to each character
- What is the function of each character in the text?

THEMES

- Revise the key themes for each text
- Plan an essay response for each theme
- Revise the key moments, quotations and contextual details which link to each text

Context

- When was each text written and set?
- What was life like at the time?

Literature (Poetry)

Do you know what happens in each poem?

- Annotate all 15 poems in your anthology
- Add notes to revision flashcards

Writer's method

- Revise poetic terms
- Revise structural features of each poem

THEMES

- Revise the key themes
- Mind-map which poems link best under each theme

Writer's purpose

- E.G. What is the message in 'Bayonet Charge'?
What was Hughes saying about war?

Essay writing

- Read back over past exams
- Re-draft and edit
- Practice planning and writing exam responses

Language

- Revise subject terminology for analysis of language and structure
- Revise structure and timing of each question
- Practise using AFOREST
- Read feature articles in newspapers
- Practise writing persuasive articles, letters and speeches
- Practise writing descriptively
- Read over and edit mock exams

SPECIMEN MATERIAL

AQA

GCSE
COMBINED SCIENCE: TRILOGY **H**
Higher Tier Paper 5: Physics 3H

Specimen 2018 Time allowed: 1 hour 15 minutes

Materials
For this paper you must have:

- a ruler
- a calculator
- the Physics Equation Sheet (enclosed).

Instructions

- Answer all questions in the spaces provided.
- Do all rough work in this book. Cross through any work you do not want to be marked.

Information

- There are 72 marks available on this paper.
- The marks for questions are shown in brackets.
- You are expected to use a calculator where appropriate.
- You are reminded of the need for good English and clear presentation in your answers.
- When answering questions 10.2, 10.4 and 10.4 you need to make sure that your answer:
 - is clear, logical, sensibly structured.
 - fully meets the requirements of the question.
 - shows that each separate point or step supports the overall answer.

Advice

- In all calculations, show clearly how you work out your answer.

Please write clearly, in block capitals.

Period 6 and Twilight sessions

Period 6 is still running afterschool on Mondays with Miss Brookes, Mrs Godwin, Miss McCaig and Mr Beesley, and on Thursdays with Mr Hafernik.

Twilight sessions will run the afternoon the day before the first three science papers. Letters will be going out this week.

May 2019

Dear Parent/Carer

Re: GCSE Science Early Evening Revision Sessions

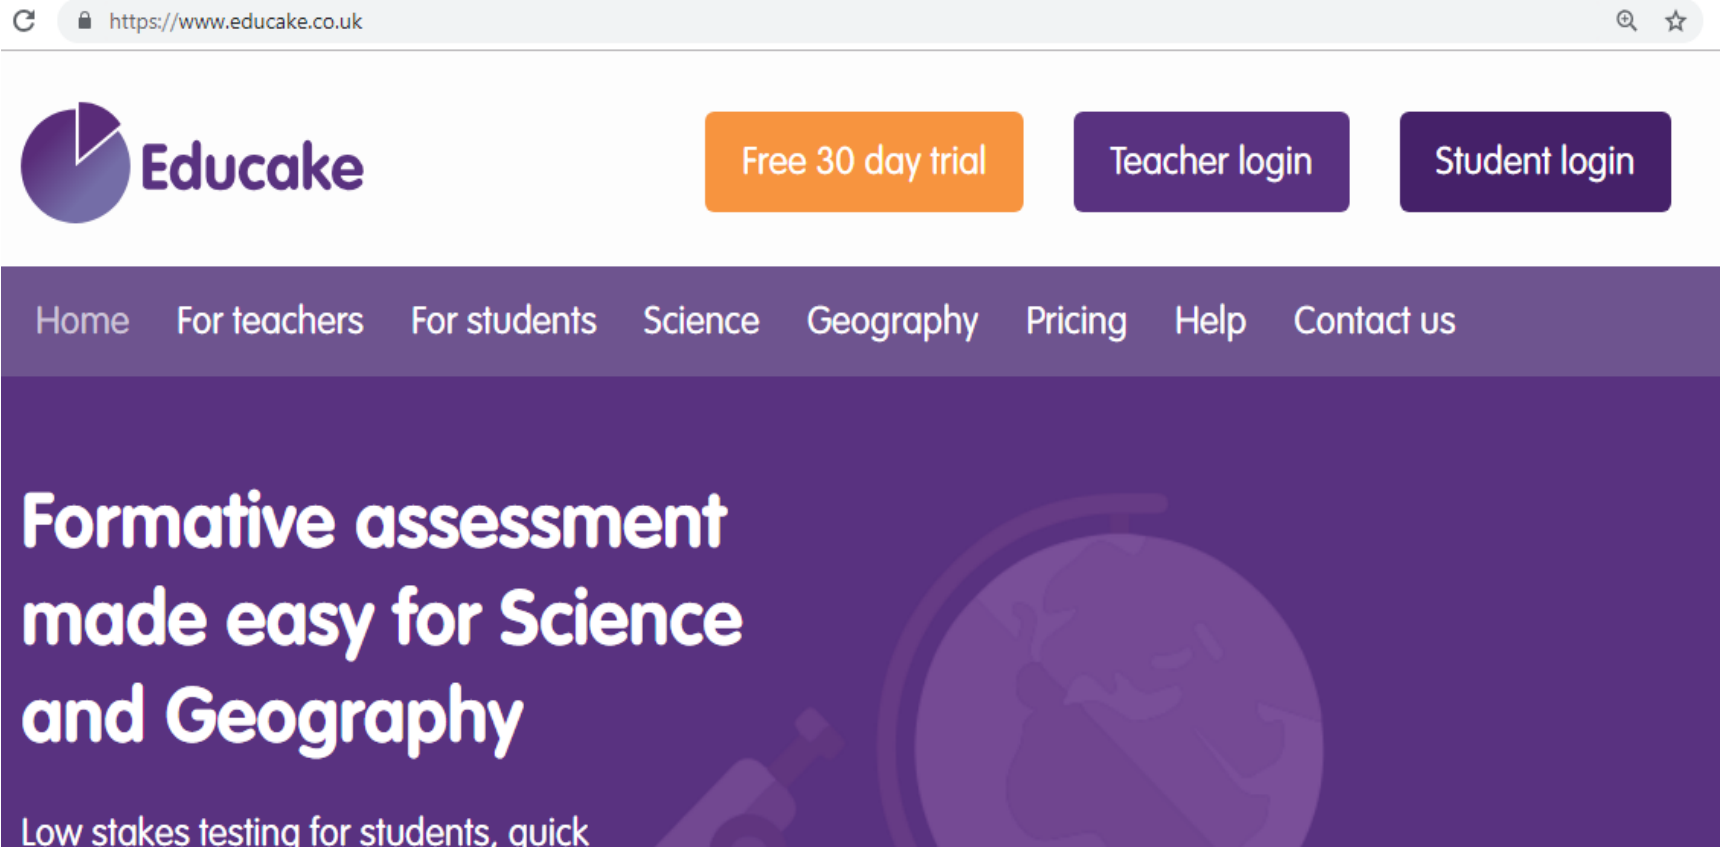

The Science Department have organised some additional revision sessions in school the evening before the science GCSE external exams to complement revision at home. The schedule is as follows:

Monday May 13th 4.30 to 6.30pm Biology 1 Science teachers in the LRC.
Wednesday May 15th 4.30 to 6.30pm Chemistry 1 Science teachers in the LRC.
Tuesday May 21st 4.30 to 6.30pm Physics 1 Science teachers in the LRC.

The purpose of these sessions is to provide support for students who would benefit from structured revision of key topics. Some students prefer to revise on their own at home and do not need to attend. The aim is for students to leave at 6.30pm feeling like they have done their revision for the day and can relax for the rest of the evening. It also gives them access to teachers who can answer any questions they might have.

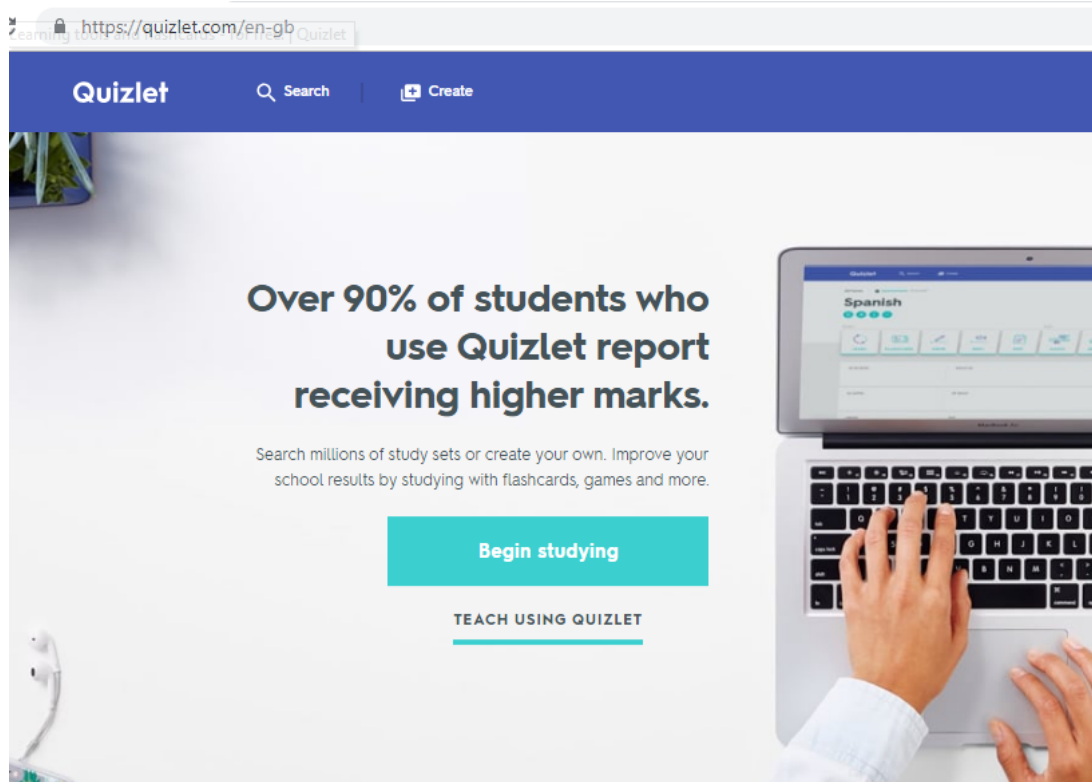

It is highly recommended that your son/daughter attends. Please complete and return the reply slip to the science department so we have an idea of numbers attending.

You can set your own tests on Educake...

The screenshot shows the Educake website homepage. At the top, the browser address bar displays "https://www.educake.co.uk". The website header features the Educake logo on the left, which consists of a blue circle with a white pie chart segment and the word "Educake" in a bold, purple font. To the right of the logo are three buttons: an orange button labeled "Free 30 day trial", and two dark purple buttons labeled "Teacher login" and "Student login". Below the header is a navigation menu with links for "Home", "For teachers", "For students", "Science", "Geography", "Pricing", "Help", and "Contact us". The main content area has a dark purple background with the text "Formative assessment made easy for Science and Geography" in large, white, bold font. Below this, in a smaller white font, is the text "Low stakes testing for students, quick". The background of the main content area features faint, stylized illustrations of a globe and laboratory glassware.

BBC Bitesize – remember we do Combined Science for AQA, Trilogy.

This one!

The screenshot shows the BBC Bitesize website interface. At the top, there is a navigation bar with the BBC logo, a 'Sign in' button, and links for News, Sport, Weather, iPlayer, Sounds, and More. Below this is a secondary navigation bar with 'Home', 'Learn & revise', 'Support', and 'Careers'. The main content area is titled 'GCSE' and 'Combined Science'. It includes a sub-header 'Exam board content from BBC Bitesize for students in England and Northern Ireland. Choose the exam specification that matches the one you study.' and a link 'Part of Science'. Below this is a section titled 'Choose your exam specification' with five buttons: 'AQA Synergy >', 'AQA Trilogy >', 'Edexcel >', 'OCR 21st Century >', and 'OCR Gateway >'. A blue arrow points from the text 'This one!' to the 'AQA Trilogy >' button.

Required practicals...

Use the Focus website

How Much Revision Should I do?

- School LRC will be open until 5pm Monday – Thursday in the lead up to exams.
- Revision should always be structured and planned.
- On a week day students should aim for 2-3 hours revision per night broken into 30 minute sections.
- At weekends and holidays students should aim for 5-6 hours revision broken into 30 minute sections.
- As a parent / carer you are able to help by asking questions linked to the subject that has just been completed. This will allow the student to check they have retained the information.

Arrangements for Term 6

- The examinations are spread over five weeks.
- There are 2 weeks of exams that take place during Term 6.
- Any period that is no longer required will be used to provide a revision session for another subject.
- Each week a schedule will be produced showing all sessions and rooms.
- This will be shared with students and displayed on the school website for parents

Closing Thoughts

- Remember you are not alone – 700,000 other Year 11 students sitting exams.
- Only 5 weeks left (25 days) of secondary school education remaining.
- Prom as a celebration for completing your time at Seahaven.
- For the pain of the exams you are rewarded with a summer holiday in the region of 10-12 weeks.
- It will be worth it in the end – All Year 11 have confirmed destinations for next year.
