## Year 4 – Spring Block 3 – Noun Phrases – Modifying Adjectives and Nouns

### Notes and Guidance:

- Having recapped identifying noun phrases in the previous step, children can now move on to modifying adjectives and nouns.
- A *modifier* is a word or phrase which is added to a noun or adjective in order to make it more specific. For example: *Secondary school teacher*. The addition of 'Secondary school' to 'teacher' tells the reader that the person is a specific kind of teacher therefore modifying the word 'teacher'. 'Secondary' modifies the word 'school'.
- In this step, children will begin to identify and use adjectives and nouns as modifiers to create specific information.

### Focused Questions

- Which word is the modifier?
