YIRUMA

Pianist, Composer, Producer
(YIRUMA means accomplishment in Korean)

YIRUMA performed at the 2002 MIDEM in Cannes, France. YIRUMA was the first Korean artist ever to be invited to perform at this world-renowned music festival. His albums were licensed for release across Europe and Asia. All 5 albums have been licensed in Japan, Taiwan, Hong Kong, Singapore and Malaysia. In addition, the *Doggy Poo O.S.T* is slated for release in United States in 2004.

YIRUMA was born in Korea and raised in England. YIRUMA began playing the piano at age 5 and moved to London, England at age 11 to study at *The Purcell School of Music* in London. He graduated as a composition major from *King's College of London University*.

His first album was released by DECCA, a prestigious classical music label while he was still studying at King's College. During this time, he also performed a music tour throughout Europe and composed for musicals, film and theatre.

2 years after his 2nd album, YIRUMA recently released his 3rd album *From the yellow room*. Pre-order sales alone topped 30,000 copies and the album was top-ranked on almost every music chart, including Yes24, Phono, Hot Tracks and others. His 12 city national tour was a sellout and his November concert at the *Seoul National Arts Center* also sold out.

On November 2005, he released his 4th album, *POEMUSIC*, which is full of lyrical melody. Following year, he composed a main theme song for popular KBS drama *Spring's waltz*. He released 5th album, *h.i.s monologue*. In this album, he experienced

prepared piano technique, which is about having percussion feeling in beautiful melody. While he was making his success continuously in music industry, he made up his mind to join Navy in order to do his duty as a Korean.

After two years, he finished his service in Navy and came back to his fans with his 6th album, *P.N.O.N.I* as well as 2008 *Yiruma Come Back Tour Ribbonized* around 20 cities across the nation. On January 1st 2009, he became a DJ for KBS1FM *Yiruma's Music from all around the world* (세상의 모든음악). Currently, Stomp music is representative of Yiruma.
