

### **YIWH TANACH STUDY PROGRAM**

Many people have signed up for various chapters of *Tanach* already! Please consider signing up to take part in this great project.

The goal is to have our shul collectively finish all of *Tanach* by *Shavuot*.

**Please sign up SOON** by filling in your name and email address next to the section of *Tanach* you would like to be responsible for learning this year. You may sign up for one section or more than one section. You may sign up for a section as a family, with a friend, or alone. If there is a section that gets taken which you would like to study you may add your name to that section as well (i.e. multiple people can be learning the same thing).

One is free to learn his/her own section at any point from now until *Shavuot*. We will also have a few open *Beit Medrash* nights in the shul to come and learn together.

Our goal is to make the *Siyum Tanach* on *Shavout* 5774/2014!

### **CHAI MITZVAH**
