SIRE OF LOT 203

**CONSIGNED BY KVO CHIANGUS.** - Here is a female who comes out of a first calf heifer who is an OHL Goose Chase daughter, OHL Goose Chase is an 180 son. The sire to this female is the 2016 Champion Maine bull from the MI Beef Expo that we purchased from Kruger Cattle Company. She is a long fronted, deep sided, sound made female. She is the type of female who can be bred in different ways, if you are looking to make those highly sought after clubby steers she will do just that, if you are looking to get good replacement females, she will work for that. She has the genetics to go in many ways.

**CONSIGNED BY ALEXANDER SHOW CATTLE.** - If you're looking for a herd sire to add some style and balance look no further. This is the kind that can add a tremendous amount of value to a herd whether it be show cattle or commercial he is just flat good. A direct grandson out of our 2u donor who has generated well over \$100k of offspring (2009 OSF Reserve Supreme female, AJMAA Breeders Futurity Reserve Female) and Yardley Utah this mating is built for longevity and performance. With the ability to be dual registered (Mainetainer / %Simmental) the possibilities are endless. Be sure to check him out his maternal sibling selling as well.

**CONSIGNED BY ALEXANDER SHOW CATTLE.** - Here is a heifer that is on the straight and narrow to the donor pen. A direct granddaughter out of our 2u donor who has generated well over \$100k of offspring (2009 OSF Reserve Supreme female, AJMAA Breeders Futurity Reserve Female) and out of the great step up Simmental bull makes this female dual registerable. She is built to make a cow, cat sound, cow bellied, smooth shouldered and sleek in her design. Don't miss and opportunity for a quick turn on your investment. Maternal brother sells as well.

**CONSIGNED BY TOM ELLIOTT / STEVE FITZNER.** - This Maine-Angus female is a powerhouse. Please study the rib shape, depth of body and all in a well-balanced package. This 180 sired female is out of a pedigree packed Champion Hill Angus bred cow that Tom bought as a heifer calf out of their sale. Loot out for this Maine-Angus program to be the next big thing!!!

**Chi & Maine Terms and Conditions**

Responsibility: The seller is the responsible part for all recommendations and warranties.

The Michigan Chi Association or the Maine Anjou Association of Michigan, all persons associated, and the auctioneer are acting as agents only and are not responsible in any way, but will endeavor to protect the interest of both buyer and seller. The seller or anyone associated with the sale shall not be responsible in case of accident.

Bidding: All animal sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision is final.

Terms: Terms of the sale are cash or bankable check, unless prior arrangements have been made. All settlements are to be made with the clerks of the sale immediately following the conclusion of the sale.

Risk: All animals are the owner's risk and become the property of the purchaser when declared sold. Assistance will be given in loading and shipping of animals, but no risk is assumed by anyone associated with the sale.

Liability: All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or the animals' behavior. The owner, MI Chi Assn, Maine Anjou Assoc. of Michigan, and sale staff assume no liability for property loss or any accidents. Announcements from the block regarding cattle selling will take precedence over information listed in this catalog.

**Simmental Terms and Conditions**

**Guarantee:** All cattle sell fully guaranteed in accordance with the suggested sale terms and conditions of the American Simmental Association (ASA) adopted July 1977. Terms available upon request.

**Terms:** The terms of the sale are cash or good check, payable in US funds. Settlement shall be made sale day. The possession of the cattle will not pass until it is made.

**Announcements:** The auctioneer's announcements from the auction block will take precedence over printed material in the catalog. Up-to-date information will be provided sale day.

**Bidding:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

**Risk:** All animals are at owner's risk and become the property of the purchaser as soon as declared sold. Assistance will be given in loading and shipping of the animals, but no risk is assumed by anyone associated with the sale.

**Responsibility:** The seller is the responsible party for all recommendations and warranties. The sale manager and auctioneer are acting as agent only and are not responsible in any way, but will endeavor to protect the interest of both buyer and seller. The seller or anyone associated in the sale shall not be responsible in case of accident resulting in injury to anyone attending the sale.

**Breeder's Guarantee:** Females - cows represented as being "safe in calf" have been examined and declared safe by a licensed vet and will be accompanied by a Vet Certificate to this effect. They are considered breeders without further guarantee. Buyer has 24 - hour option to have a licensed vet examine the cow before the animal leaves the premises. Cows with calves at side shall be considered breeders also without further guarantee. No guarantee shall apply to sucking calves, or that females will carry calves full term nor that the calf carried will not be mummified. In no event shall the seller be responsible for more than the purchase price. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

**Registry Certificate:** Each animal is recorded or in the event of baby calves, breeder's certificates will be furnished in the Herd Registry of the ASA, excluding steers. All registrations will be transferred to new owner free of charge to buyers.

**CONSIGNED BY TWIN OAK FARMS.**

- Here is a heifer out of one of our long term, maternal and strong cows, TOF Madonna. Even at this young age you can see her udder is set up perfect. She has a low birth weight but TOF Poppa in her to bring a higher weaning weight to your herd! She is extremely well balanced and moves very well in the ring. She is really calm, as the kids have worked with this one.

Sponsored by:

## Expo Youth Contests

All Junior Exhibitors, 4-H and FFA members, ages 8 to 21 are invited to participate. Any youth who has participated in any post-secondary university, college, junior college, or technical school) competitive event of a similar nature is ineligible to compete in this contest. Age is determined as of 1/1/2019.

**JUNIOR DIVISION: 8-13 YEARS OF AGE**

**SENIOR DIVISION: 14-21 YEARS OF AGE**

### ESSAY CONTEST

Junior division entries must be a minimum of 250 words. Senior division entries must be a minimum of 500 words. Evaluation will be based on (1) originality and creativity, (2) neatness, legibility (typed copy is preferred), grammar and spelling, (3) completeness of the discussion of the topic, (4) accuracy of information, and (5) thoroughness. Include cover page with exhibitor name, division, and resources used. **Senior Topic:** "Select and research a disease in cattle" **Junior Topic:** "Select and research a breed of cattle." **Entries in this category must be submitted by Friday, March 22, 2019. Essay entries will not be accepted on site.**

### PHOTOGRAPHY CONTEST

Contestants should submit one entry no smaller than 3" x 5" and no larger than 8" x 10". All entries must be matted, framed, or mounted. Entries will be judged on quality of photograph, originality of shot/pose, and overall audience appeal. The photograph must be the work of the youth participant. Please include your name and division on the back of the entry.

**NEW THIS YEAR:** we will be providing a theme for the photography submissions. **Photography Topic:** "Black and White Images" Entries should include cattle.

### GRAPHIC DESIGN CONTEST

Create a promotional flier or brochure (8 1/2" x 11") about designated topic. This piece must be original work. The entries will be judged on the following areas: originality, message, attracts attention, use of space and design. Please include your name and division on the project (front or back). Winner's artwork may be used in 2019 promotions. **Senior Topic:** Select either breeding stock or market animals and create a piece outlining how to select cattle. Be sure to highlight traits that are imperative to producer profitability and success in the showing. **Junior Topic:** Create a graphic design piece the describing reasons you enjoy showing cattle".

### STOCKMAN'S CONTEST – SATURDAY, MARCH 30, 2019

This contest will include a quiz that will test the participants general knowledge and beef industry. The quiz will be available Saturday, March 30th from 10am - 3pm.

Mailed entries should be postmarked by Friday, March 22 to Katy Kesler 1520 Mt Vernon Ave, East Lansing, MI 48823 or submit on site starting at 10:00 am on Friday, March 29th until 12:00 pm on Saturday, March 30th in the classrooms at the MSU Pavilion. Winners will be announced at 3:30pm in the educational classrooms on Saturday, March 30<sup>th</sup>.

Questions and emailed entries should be directed to Katy Kesler: keslerka@msu.edu • 616.916.5076 or Carla McLachlan: mclachl2@msu.edu

**Terms and Conditions**

Terms of sale are cash, payable to the clerk following the sale and before cattle are removed from the premises.

**Billed Accounts:**

All billed accounts are due 10 days following the sale.

**Health:**

Buyers should make themselves aware of the health requirements of their respective states. All cattle have been BVD tested negative. All animals entered in the sale will be tested for TH PHA and DS or be Free by parentage or provide details regarding status.

**Liability:**

Each animal will be at the buyer's risk as soon as sold. Neither the owners, employees, auctioneer, sale consultant, sale managers nor other affiliated personnel can be held responsible for any accidents, but will make every effort to provide for the safety and comfort of those attending.

**Breeding Guarantee:**

The Standard Breeding Guarantee as endorsed by the American Shorthorn Assn. will be followed.

**Registration and Transfer:**

All animals sell with completed registration in the hands of the sale manager/coordinator.

**Announcements:**

Announcements from the auction block take precedence over all printed material in this catalog.

**CONSIGNED BY CC ANGUS.** - An incredible opportunity to acquire breed leading genetics from the heart of the KB Angus program. E19 Made her mark at last years Michigan Beef Expo, being selected as the Supreme Champion Female and then went on to become the high selling lot of all breeds. E19 is a daughter of the \$19,000 KB Angus donor, Boyd Forever Lady 4156. E19's granddam, Boyd Forever Lady 5125, is the dam of Boyd Resume 9008 and a direct daughter of the multimillion dollar producing SVF Forever Lady 57D. You have the opportunity to use this young donor as your own, and flush her to the bull of your choice and undoubtably will produce some extremely highly valueable progeny. An exciting opportunity to acquire proven genetics from the great Forever Lady cow family. Donor will be on site at GGS Genetics and ready to flush, directly following the 2019 Michigan Beef Expo! --- Gauratee of 6 frozen eggs, resulting in 2 pregnancies if done by an accredited veterinarian.

### Performance Data

All EPD's and performance data in this catalog is official data processed by the American Angus Association. This information is current as of February 2019 when this catalog was prepared for press. Some minor fluctuation of EPD's can be expected because daily updates occur within the American Angus Association database.

### SALE INFORMATION

#### Herd Health:

All sale cattle will be available for immediate shipment, with the exception of cattle that may be purchased by out of state buyers. Some nearby states have additional health test requirements which may result in the consignor returning those cattle to their home operations and performing the required tests for interstate shipment. All cattle have a negative BVD test. In addition, all cattle are free of any known genetic abnormalities for which there is a commercial test available.

#### Trucking:

All arrangements regarding trucking costs and delivery times are to be predetermined between the trucking firm and the buyer prior to the trucking firm hauling the cattle. Sale management and the sellers will assist in coordinating transportation, however, neither the sale management, nor the seller, assumes any responsibility regarding the costs for trucking cattle or the collection of fees due to the trucking firm.

**Responsibility:** The seller is the responsible party for all recommendations and warranties. The Michigan Angus Association, all persons associated, and the auctioneer are acting as agents only and are not responsible in any way, but will endeavor to protect the interest of both buyer and seller. The seller or anyone associated with the sale shall not be responsible in case of accident resulting in injury to anyone attending the sale.

#### Bidding:

All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

#### Risk:

All animals are at owner's risk and become the property of the purchaser when declared sold. Assistance will be given in loading and shipping of animals, but no risk is assumed by anyone associated with the sale.

#### Liability:

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or the animals' behavior. The owner, Michigan Angus Association, and the sale staff assume no liability for property loss or any accidents that may occur.

#### Terms and Conditions:

Cattle will sell under the standard terms and conditions as recommended by the American Angus Association. AI certificates for calves carried in dam will be the buyer's responsibility.

#### Announcements:

Announcements made at the time of the sale will take precedence over printed material in the catalog.

**CONSIGNED BY WALNUT SPRINGS FARMS.** - ADG .21.  
 HB182 A Natural Born heifer from one of our newest Donor Cows. Her Dam and Grand Dam are both donor cows and Contessa has all the making to follow in their "Hoof" Steps. This is a feminine, deep bodied female that is an easy keeper. We love her disposition and are excited to share these genetics with you. Although she is black hided, she does carry the red gene.
