## **BATTLE ROYALE: MAKE YOUR FIRST FORTNITE® STYLE VIDEO GAME**

**\$250**

**JUNE 14-17 | LEVINE CAMPUS**

Rising 4th-6th graders: 9 a.m.-noon | Rising 7th-9th graders: 1-4 p.m.

Fans of Fortnite we need you. Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. Students can participate in eSports League matches against other schools across the country with a chance to have their levels featured in the Black Rocket master build of the game. This course includes cartoonish action and battle sequences. Student-created games will be available on a password-protected Black Rocket website to share with friends and family.

*Fee includes camp T-shirt and your own video game created uniquely by you.*

**Virtual Tech Camps** starting at **\$135**  
powered by Black Rocket, a national leader in tech-education  
**JUNE 7-AUGUST 27 | AGES: 8-14**

Virtual tech programs that take off! Black Rocket courses foster creativity, collaboration, digital citizenship, and critical thinking.

**\$250**

**JUNE 21-24 | LEVINE CAMPUS**

Rising 4th-6th graders: 9 a.m.-noon | Rising 7th-9th graders: 1-4 p.m.

Discover the Lua language through a visual block coding system while designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This new class combines game design concepts, coding, and fun. Young entrepreneurs will also learn how to navigate ROBLOX's fast-growing marketplace to publish their games. Student-created games will be available on a password-protected Black Rocket website to share with friends and family.

*Fee includes camp T-shirt and use of your own project designed uniquely by you.*

## **PROGRAM IT!**

**\$235**

**JUNE 28-JULY 1 | CENTRAL CAMPUS**

Rising 6th-8th graders: 8:30 a.m.-noon | Rising 9th-12th graders: 1-4:30 p.m.

Do you have a camper interested in building their own video game? This camp is an introduction to text-based programming. The computer languages learned make it easier to create graphics-based programs. Concepts covered can be applied to practically any other computer languages, including C, C++ (C plus plus) and C# (C sharp). Campers will learn skills that can be directly applied to real-world programming tasks in an interesting and fun way.

*Fee includes camp T-shirt and your own video game created uniquely by you.*

**PYTHON PROGRAMMERS:  
MAKE YOUR OWN MULTIPLAYER GAME**

**\$250**

**JULY 12–15 | LEVINE CAMPUS**

Rising 4th–6th graders: 9 a.m.–noon | Rising 7th–9th graders: 1–4 p.m.

Want to learn the world’s fastest-growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish. Returning students can create more advanced projects that build on previous years.

*Fee includes camp T-shirt and the use of your own programmed project created uniquely by you.*

**ROBLOX® MAKERS \$250**

**JULY 19–22 | LEVINE CAMPUS**

Rising 4th–6th graders: 9 a.m.–noon | Rising 7th–9th graders: 1–4 p.m.

Unlock the power of ROBLOX® Studio, the world creation tool used by real-world ROBLOX® developers. Learn how to build 3D models and create an adventure in your ROBLOX® world. Bring characters to life with unique animations you design. Student-created projects will be available on a password-protected Black Rocket website to share with friends and family.

*Fee includes camp T-shirt and use of your own project designed uniquely by you.*

**MINECRAFT REDSTONE ENGINEERS \$250**

**JULY 26–29 | LEVINE CAMPUS**

Rising 4th–6th graders: 9 a.m.–noon | Rising 7th–9th graders: 1–4 p.m.

Take the next step beyond simply “playing” Minecraft and become a true Redstone engineer. Expand your Redstone knowledge by constructing your own carnival with a variety of mini-games, roller coasters, and attractions powered by Redstone. Learn how to use Command and Structure blocks to incorporate them into your builds. Activate your skills and take your Minecraft structures to the next level.

*Fee includes camp T-shirt and use of your own project designed uniquely by you.*

**DRONE ACADEMY \$495**

**JULY 26–29 | MERANCAS CAMPUS**

Rising 7th–12th graders: 8:45 a.m.–4 p.m.

Fly high in our drone camp. Campers will learn how to pilot state-of-the-art drones using simulator training with 25 basic flight modules. Once campers master the art of piloting, they will learn and practice their skill for real-world small drone flights in indoor and outdoor obstacle courses using their very own Syma drone. The drone will be theirs to take home at the end of camp allowing them to become true experts in the field of drone flight.

*Fee includes camp T-shirt, digital group photo, and a Syma drone.*

## BEAUTIFUL YOU PRINCESS

JULY 19–22 | HARRIS CAMPUS

Rising 1st–3rd graders: 9 a.m.–noon

Calling all princesses. This summer we are introducing a new version of our “Beautiful You” summer camp, called “Beautiful You Princess.” We hope your little one will join us for four days of princesses, craft making, and all things glitter. Each day your child will bring their imaginations to the table with hands-on learning with one of Central Piedmont’s cosmetology instructors. We hope your little princess will join us.

*Fee includes camp T-shirt, crafts from each camp day, and a princess photoshoot at the end of camp.*

**\$300**

## BEAUTIFUL YOU

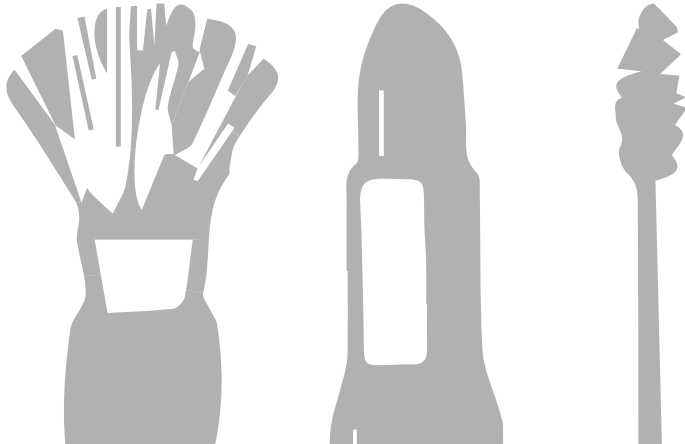

JULY 26–29 | CITY VIEW CENTER

Rising 9th–11th graders: 9 a.m.–2 p.m.

Calling all make-up artists, future stylists, and fashionistas. “Beautiful You” allows campers to explore new and popular trends in the beauty industry. We hope you will join us as we learn fashion make-up trends, along with festival make-up artistry, and themed photo shoot hairstyling tips. Our goal this summer is to blend popular with basic hairstyling concepts, long hair design, braiding, manicuring and pedicuring, skin care, and makeup application. Topics include hair fashions and trends along with the history of hairstyling. Campers will learn fundamental hands-on skills in the world of fashion, hair, and makeup. Demonstrations of these activities will be taught by a licensed professional cosmetologist in our salon lab environment.

*Fee includes camp T-shirt and a cosmetology beauty kit, including styling tools, makeup, and “must haves” style instruction guides.*
