Welcome to

Think First & Stay Safe

Personal Safety

Health and safety
are important parts of our lives.

Talking openly about
personal safety helps
to keep us
healthy and safe.

Critical Thinking: An Effective Safety Tool

- We use critical thinking skills every day to help solve problems.
- Our brains help us think critically and assess situations.
- We can learn how to recognize, avoid and report inappropriate and unsafe behaviors.

Child Luring

- Child Lures can be used by adults, older kids or peers – **with or without using technology.**
- Learning about Child Lures can help us ***Think First & Stay Safe.***

Laws Help Protect Me

- There are laws to help protect kids from crimes.
- Bullying, harassment and sexual abuse are crimes.
- We have a right to stop anyone who tries to mistreat us.
- Bullying, harassing or abusing a child is Against the Law.

Telling My Trusted Adults

- It is **not tattling or snitching** to tell a Trusted Adult about bullying or unwanted attention/touching.

It is asking for help with your safety.

- Always be truthful when telling about bullying or sexual abuse.

My Body Belongs to Me!

- Private Parts are a personal boundary **no one** has the right to cross.
- It is against the law for anyone to overstep our personal boundaries.

All Secrets Can Be Told

Listening to My Instincts

- We usually feel our Instincts in our gut.
- If someone's behavior sets off our instincts, we can tell a Trusted Adult right away.
- **All Secrets Can Be Told**, even if we've:
 - been keeping the secret for a long time or
 - been threatened not to tell.
- We can tell a Trusted Adult any secret.

The Kindness of People

- Most people are kind and caring.
- Bullying and abuse are usually committed by **someone we know**, and often trust.
- Stay alert to **behaviors and actions** that are inappropriate or unsafe.

Choosing Who Helps Me

- We may need to depend on the kindness of others when lost, hurt or scared.
- If we need help, are these safe choices?
 - A mom or dad?
 - Store employee?
 - Police officer?
 - Guy who walks up and offers to help?

My Dignity

- Each one of us is worthy of respect and dignity.
- Bullying and abuse are not the fault of the person being mistreated.
- Bullying and sexual abuse **can not** take away our dignity or self-respect. **Ever.**

Expect Respect

- Always treat yourself and others with dignity & respect.
- Expect respect in return.
- If having thoughts of mistreating others, please ask an adult for help *before* acting.

Affection Lure

- An act of real love or affection always shows respect.
- Most kids who are sexually abused are abused by someone they know.
- An abuser can be anyone – even a relative, family friend or older kid.
- We can tell a Trusted Adult about any unwanted attention and touching.
- It takes courage to report abuse, especially abuse by someone we know and love.

Healthy Relationships

- Good friends are:
 - Kind
 - Honest
 - Reliable
 - Loyal & Supportive
 - Helpful
 - Fun to be with
 - Respectful
- This is how people behave in **healthy relationships**.

Setting Personal Boundaries

- 1) You have the right to **set personal and digital boundaries.**
- 2) Be kind and respectful to others, but **put yourself first.**
- 3) **You know yourself best;** don't be influenced by others.
- 4) Clearly communicate what you think is acceptable and unacceptable for you: **Learn to say no, and stick to it.**
- 5) **Do what is right for you;** don't let others pressure you into actions you don't want to take.

Bullying, Cyberbullying & Harassment

- Our school is a place for learning - and that includes learning how to get along with others.
- Bullying and harassment have no place at school, at home or in between.
- Most kids are kind and accepting of others.

Tolerance and Kindness

- Everyone deserves to be treated with kindness and respect.
- Bullying, cyberbullying & harassment are wrong. They are against school policy and against the law.
- We can tell a friend or Trusted Adult about any bullying, cyberbullying and harassment.

Bribery Lure

- A sincere gift is given without asking for, or expecting, something in return.
- Sometimes people try to lure kids by offering or promising something the child wants.
- Tell parents and guardians about all offers of gifts and rewards.

Ego/Fame Lure

- Compliments make us feel good about ourselves!
- Involve a parent or guardian when trying out for sports, modeling, dancing, singing, or other talents.
- Always keep clothing on for photos, videos and webcams.

Hero Lure

- A Hero can be someone I know very well (coach or teen cousin), or someone I wish I knew (famous sports star).
- I will expect my hero to always treat me with respect and dignity.
- We can tell Trusted Adults about any inappropriate behaviors.

If I'm having feelings of bullying or abusing others...

...I can ask an adult for help.

- I can ask a:
 - parent
 - teacher
 - friend
 - school nurse
 - school counselor
 - Childhelp Hotline, call 1-800-4-A-CHILD

Remember, most people are...

...kind and caring.

- Most people help keep the world a healthy and safe place for kids.
- Thank you for learning to *Think First & Stay Safe!*

Program Evaluation

- To formally gauge student progress and retention of the program, please administer the Grade 5 Student Evaluation **Pre-Test** and **Post-Test**.
- The Student Evaluation for Grade 5 is located on **pp. 21-22** of the **Presenter's Guide Lesson Plans and Student Activities for Grade 5**.
