Stormy Behaviors

Some Examples:

Child Lures® Prevention
Think First & Stay Safe!™

Child Luring

- Stormy Behaviors can be used to trick, or lure, kids into unsafe situations.
- We call this Child Luring.
- Stormy Behaviors and Child Luring can be used:
 - in-person
 - with technology
 - by adults
 - by older kids & kids our age.

Child Lures® Prevention
Think First & Stay Safe!™

Laws Help Protect Me

- We have rules at school.
- Grown-ups have rules too, called laws.
- If we break the law or rules, we get punished.
- Bullying and abuse are against school rules, and they are Against the Law.

My Body Belongs to Me!

Child Lures® Prevention
Think First & Stay Safe!™

Bathing Suit Zone

- A bathing suit covers the **private parts** of the body.
- We'll call the private parts of our body the **Bathing Suit Zone**.
- It is against the law to mess with my **Bathing Suit Zone** – stay away!

Child Lures® Prevention
Think First & Stay Safe!™

Touching in the Bathing Suit Zone

- This behavior is called sexual abuse.
- It is wrong to touch someone in the **Bathing Suit Zone**
- It is Against the Law.
- We can tell a Trusted Adult about touching in the **Bathing Suit Zone**.

Child Lures® Prevention
Think First & Stay Safe!™

Kids Have Rights Too!

- Kids have the right to be safe.
- If anyone tries to bully or abuse us, we can tell a Trusted Adult.
- A Trusted Adult can help us feel safe again.
- Keep telling until someone helps!

Child Lures® Prevention
Think First & Stay Safe!™

Always Tell the Truth

- **Never** make up stories about bullying or abuse.
- It's not fair to say someone did something wrong when they did not.
- We always tell the truth.

Child Lures® Prevention
Think First & Stay Safe!™

Listening to My Instincts

- We have an inner siren called instincts.
- Sometimes, we can feel Instincts in our belly (our gut).
- **Instincts** can warn us to:
 - slow down.
 - be careful!
- If someone's behavior sets off our inner siren, we can tell a Trusted Adult.

Child Lures® Prevention
Think First & Stay Safe!™

All Secrets Can Be Told

- My Trusted Adults help keep me safe.
- I can tell a Trusted Adult about secrets that make me feel worried, scared or unsafe.
- I can tell about any Secret, even one:
 - I've been keeping a long time.
 - I am threatened not to tell.
 - I've been told is my fault.
 - I think may disappoint someone.

The Kindness of People

- Most people are kind and caring.
- They are just like you and me!
- A stranger is a person we don't know.
- Most strangers are kind and caring too.

Child Lures® Prevention
Think First & Stay Safe!™

Stormy Behaviors

- Kids who are bullied or abused are usually hurt by someone they know.
- People who try to lure children might act kind and friendly **at first**.
- This is to trick kids into trusting them.

Child Lures® Prevention
Think First & Stay Safe!™

Staying Safe

- We can't tell just by looking at someone if they are safe or unsafe.
- We need to pay attention to their behaviors and their actions.
- We can stay safe from *Stormy Behaviors*.
