YOU HAVE THE POWER TO PLAN, PREVENT & PROTECT!

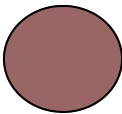

Coming to Your Community "Let's Talk!"

A workshop for parents on communicating with children about sexuality and reproduction.

The Department of Public Health, Reproductive Health Services, is now offering "Let's Talk" - a 2 hour workshop for parents and other guardians of children in San Bernardino County. The workshop will help parents learn how to share their family's values with their children, and develop and communicate information about healthy human sexuality.

Workshops offer tips for parents on encouraging abstinence for their children. The workshop focuses on abstinence as the only 100% effective way of preventing teen pregnancy and sexually transmitted diseases (STDs).

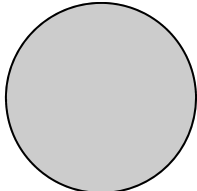

Some parents may feel uncomfortable discussing sexuality issues with their children - this workshop gives parents the information, knowledge, and confidence they need to effectively communicate with their children about their own family values regarding sexuality and reproduction. Parents also receive tips on responding to those "hard-to-answer" questions that their children may ask.

Schedule a workshop in your community for parents to learn valuable skills for communicating with their children. At our first 15 workshops scheduled, a lucky door prize winner will receive a \$25 Gift Card to Applebee's Restaurant!

Come and learn more! "Let's Talk!"

To arrange a workshop, please call:
Eileen Guerrero, Health Educator
Department of Public Health,
Reproductive Health Program

Are You Looking for STD Prevention Activities You Can Use to Educate Youth?

Go to www.stdhivtraining.org

Click on Resources, then Educational and Program, search documents by title and download these free tools:

- 1) **“Making the Connection Between HIV and STDs”** is an 8-lesson plan STD resource guide to supplement HIV and other sexual health curricula. Interactive activities focus on STD data, transmission, consequences and increasing youth perceptions of risk for STDs.
- 2) **“Sexually Transmitted Diseases (STDs): What you need to know to stay healthy”** is a 50-min interactive STD 101 power point slide presentation for youth with accompanying Educator Guide, including facilitator tips. Version A has clinical photos, and Version B does not.

Are you Looking for Locally Developed Health Promotion Materials & Training Resources on Reproductive Health?
