# ZOMBIE SURVIVAL (WHAT NOT TO DO)

With the impending zombie apocalypse, are you sure you want to grab that machete, or drive away in that stolen car with a full tank of fuel? Here's Smiffy's AU zombie survival guide on just a few things you may want to think twice about, before doing!

## DRIVE

Unfortunately, there's only so far a tank of fuel will take you. Don't run out of juice in a major city!

## MACHETE

You'll never be able to take on 1 or 2 zombies with a machete at a time. Besides, do you really want their blood splatters? No, thought not.

## FORTRESS

While this may of worked int he olden days, against humans - remember, zombies are relentless!

## FLY

This also goes for trains and ships - are you sure you want to be confined to a singular area. Perhaps there's a zombie onboard?

## POLICE

I know your mother told you not to talk to strangers, unless it's a police officer, but in these circumstances, cops can just as easily be zombies too!

## PLANNING

Plan, plan and plan. The only bad plan is the one you don't complete. No off the cuff zombie killing or driving off in to the distance - you'll need plan A, B and C to survive.

**REMEMBER**

1. ORGANIZE BEFORE THEY RISE!
2. THEY FEEL NO FEAR, WHY SHOULD YOU?
3. USE YOUR HEAD, CUT OFF THEIRS.
4. BLADES DON'T NEED RELOADING.
5. IDEAL PROTECTION = TIGHT CLOTHES, SHORT HAIR.
6. GET UP THE STAIRCASE THEN DESTROY IT.
7. GET OUT OF THE CAR, GET ONTO THE BIKE.
8. KEEP MOVING, KEEP LOW, KEEP ALERT!
9. NO PLACE IS SAFE, ONLY SAFER.
10. THE ZOMBIES MAY BE GONE BUT THE THREAT LIVES ON.
